THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (DEPARTMENT OF RURAL DEVELOPMENT) (SHRI RAMESHWAR THAKUR): (a) and (b) On the basis of area declared surplus, the .total ceiling surplus land in Gujarat is presently estimated at around 2.48 lakh acres. District-wise details of surplus land are not monitored at Central level.

(c) The States have been advised from time to time to distribute available surplus land expeditiously among the landles,, poor. A special drive for the distribution of surplus land has also been launched which is still on.

Revision of Kural Sanitation

1506. SHRI AJIT P. K. JOGI: Will the PRIME MINISTER be pleased to state:

(a) whether the Rural Sanitation Programme has been revised recently

(b) if so, the details thereof; and

(c) the funds allocated under the revised policy and the earlier policy during the last three years and the de tails of the targets and achievements made in this regard State-wise and year-wise?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (DEPARTMENT OF RURAL DEVELOPMENT) SHRI UTTAMBHAI PATEL): (a) Yes, Sir.

(b) The details of centrally sponsored Rural Sanitation Programme are given in Statement. *(See* below)

(c) The details are given in Annexure. *(See* Appendix CLXVIIT, Annexure, No. 26)

Statement

(i) There will be no subsidy out of Govt, funds for persons above the poverty line.

(ii) The contribution by the beneficiaries and the balance cost to be met by the Central Govt, and State Govt, would be as under:

Central Gavt.	40% of the unit cost
State Govt.	40% of the unit cost
Persons b;lcw poverty line	20% of the unit cost

(iii) The contribution from persons below poverty line will be 20 per cent of unit cost either in cash or kind or labour for construction of sanitary latrines.

(iv) Preference will be given to SC/ST families in selection of beneficiaries. At least 20 per cent of the funds will be utilised for providing sanitary latrines to SC/STs below the poverty line where the percentage of SC/ST households exceeds 20 per cent of the general households. In other cases where SC/ST population is less than 20 per cent of general population, the percentage of funds utilised should be at least the same as the percentage of SC/ST households.

(v) (a) Upto 75 per cent of the amount released will be utilised for construction of indiviual household latrines and conversion of dry latrines for households below poverty line with preference among them to SC/ST families.

(b) Upto 10 per cent of the amount released will be utilised for village complex for women, with funding pattern of 35 per cent from the centre, 35 per cent from the State and 30 per cent from the users/panchayats.

(c) Upto 5 per cent of the amount released may be used for drains and other sanitary facilities where the cost can not be met out of JRY assistance. The funding pattern would be 25 per cent from the Centre, 25 per cent from the States and 50 per cent from the users/ Panchayat.

(d) Funds not exceeding 10 per cent of the releases can be used for health education, awareness and demand generation and for training of masons to the

extent it cannot be met under TRYSEM. This is subject to the ctndition that the State Govt, also provides a matching share out of its own funds towards this activity.

(vi) Administration cost will be limited to 3 per cent of the total provision.
